जम्मू, राज्य ब्यूरो। राष्ट्रपति रामनाथ कोविन्द नौ जून को जम्मू के दो दिवसीय दौरे पर आएंगे। वह इंडियन इंस्टीट्यूट आफ मैनेजमेंट (आइआइएम) जम्मू के पांचवें दीक्षा समारोह में भाग लेंगे। उनके दौरे की तैयारियां को देखते हुए सुरक्षा व्यवस्था कड़ी की गई है विशेषकर कन्वेंशन सेंटर को सील किया गया है।

निर्धारित कार्यक्रम के तहत राष्ट्रपति वीरवार दोपहर को जम्मू पहुंचेंगे और दोपहर बाद जम्मू के कन्वेंशन सेंटर में आइआइएम के दीक्षा समारोह में बतौर मुख्य अतिथि के रूप में शामिल होंगे। उनके साथ ही समारोह में पीएमओ में राज्यमंत्री डा. जितेंद्र सिंह, उपराज्यपाल मनोज सिन्हा, मुख्य सचिव अरुण कुमार मेहता सहित अन्य वरिष्ठ अधिकारी शामिल होंगे। शाम करीब साढ़े पांच बजे

समारोह के संपन्न होने के बाद वह राजभवन जाएंगे। वहां पर वह उपराज्यपाल के साथ बैठक में जम्मू कश्मीर की कानून एवं व्यवस्था की स्थिति, विकास प्रोजेक्ट समेत अन्य मुद्दों पर चर्चा करेंगे। रात्रि विश्राम के बाद वह शुक्रवार को श्री माता वैष्णो देवी के दर्शनों के लिए जाएंगे। वह दोपहर को वापिस लौट जाएंगे।

आइआइएम का तीसरा व चौथा दीक्षांत समारोह एक साथ पिछले वर्ष आयोजित किया गया था जिसमें उपराष्ट्रपति वेंकैया नायडू मुख्य अतिथि थे। कोरोना से उपजे हालात के कारण तब अतिथियों की संख्या सीमित की गई थी। इससे पहले राष्ट्रपति का अप्रैल माह में आने का कार्यक्रम था लेकिन स्थगित हो गया था। उस समय आइआइएम ने दीक्षा समारोह की तैयारी कर ली थी।

इस बार आइआइएम के दीक्षा समारोह में 214 विद्यार्थियों को डिग्रियां प्रदान की जाएगी। तीन विद्यार्थियों को मेडल दिए जाएंगे। आइआइएम केनाल रोड़ जम्मू में समारोह को कामयाब बनाने की तैयारियां चल रही हैं। सूत्र बताते हैं कि फिलहाल किसी प्रतिनिधिमंडल का राष्ट्रपति से मिलने का कार्यक्रम नहीं है। उनके दौरे में मुख्य दीक्षा समारोह व श्री माता वैष्णो देवी की यात्रा का ही कार्यक्रम है। अंतिम समय में कार्यक्रम में फेरबदल की संभावना से इंकार नहीं किया जा सकता है।

President Kovind During IIM Jammu Convocation

By **netionaldastak** June 10, 2022

"The future of [India](#) depends on providing better education to the youth," said President Ram Nath Kovind on Thursday while addressing the fifth annual convocation of the Indian Institute of Management (IIM) Jammu. He said that education is the greatest enabler.

"The future of our country depends on good education of our young population. Institutes like IIM Jammu are nurturing our youth. These talented young people are going to build the India of the future. They are going to make the lives of the people, better, and the country, stronger," said the president.

Talking about National [Education](#) Policy (NEP) he said, "We know, the National Education Policy seeks to position India as a 'Knowledge Hub' in today's knowledge economy. It seeks to make our youth equipped for the world of 21st century while preserving our ancient values which remain relevant even today. For India to become a global knowledge hub, our institutes of learning have to be globally comparable."

He was happy to note that the number of Indian institutions in the global ranking is gradually increasing. The President added that aided by convergence

of technologies and opportunities, many start-ups have become very successful and are being described as the emerging mainstay of the Indian economy.

The mindset of being a job-giver and not a job-seeker among the youth of India is one of the key factors in our country having one of the best start-up ecosystems in the world, he added. The president noted that IIM Jammu, in collaboration with DICCI and CII, is going to set up a special diversity cell for helping potential entrepreneurs from scheduled castes and scheduled tribes.

The president advised students to remain quick learners and re-learners throughout their life. He said that the role of fast paced technological changes is going to be disruptive. "The shelf life of technologies is getting shorter. Therefore, the shelf life of management and leadership styles is also going to be shorter. To deal with such a scenario, they have to move from the mindset of 'utilizing the known' to the approach of 'exploring the unknown'. They have to move beyond their comfort zones to the areas of uncertainty. They have to convert challenges into opportunities. They have to be 'pro-changers' and yet be sensitized to 'no-changers' for converting them as supporters of change. They have to look at tomorrow while learning from yesterday," he said.

He advised them to keep an open mind, an open heart and a strong will. He said that a really good entrepreneur, good manager or a good business leader is one who believes in doing well by doing good. "Excellence and ethics go together."

India's future depends on good education of young population: President

BY AGENCIES ON JUNE 10, 2022

Jammu: Advising students to remain quick learners and re-learners throughout their life, President Ram Nath Kovind on Thursday said that India's future depends on good education of our young population.

"Remain quick learners and re-learners throughout your life. The role of fast paced technological changes is going to be disruptive," Kovind said while addressing the Fifth Convocation of Indian Institute Management of Jammu here this evening.

Union Minister Dr Jitendra Singh and Jammu and Kashmir Lieutenant Governor Manoj Sinha also attended the event.

The President said that the role of fast paced technological changes is going to be disruptive, adding, "Education is the greatest enabler. The future of our country depends on the good education of our young population."

"Institutes like IIM Jammu are nurturing our youth. These talented young people are going to build the India of the future. They are going to make the lives of the people better, and the country stronger," the President observed.

He said, "as we know, the National Education Policy seeks to position India as a 'Knowledge Hub' in today's knowledge economy. It seeks to make our youth equipped for the world of the 21st century while preserving our ancient values which remain relevant even today."

"For India to become a global knowledge hub, our institutes of learning have to be globally comparable," he said and expressed happiness noting that the number of Indian institutions in the global ranking is gradually increasing.

He said that new institutions like IIM Jammu should quickly adopt global best practices and aspire for higher ranking.

The President said that aided by convergence of technologies and opportunities, many start-ups have become very successful and are being described as the emerging mainstay of the Indian economy.

"Unicorns, most of which are set up by young people, must be a source of inspiration for all students," he said and added, "the mindset of being a job-giver and not a job-seeker among the youth of India is one of the key factors in our country having one of the best start-up ecosystems in the world."

"I am happy to note that IIM Jammu, in collaboration with DICCI and CII, is going to set up a special diversity cell for helping potential entrepreneurs from scheduled castes and scheduled tribes," he added and appreciated everyone concerned with this initiative to promote entrepreneurship and inclusion.

The shelf life of technologies is getting shorter, he said.

Kovind added that therefore, the shelf life of management and leadership styles is also going to be shorter and added, to deal with such a scenario, they have to move from the mindset of 'utilizing the known' to the approach of 'exploring the unknown'.

"They (students) have to move beyond their comfort zones to the areas of uncertainty and have to convert challenges into opportunities," he advised.

The President further asked the students to be 'pro-changers' and yet be sensitise to 'no-changers' for converting them as supporters of change.

Students have to look at tomorrow while learning from yesterday and have to create a future based on the relevant learning from the past, said Kovind.

The President advised them to keep an open mind, an open heart and a strong will and said, "a really good entrepreneur, good manager or a good business leader is one who believes in doing well by doing good. Excellence and ethics go together."

**I Am Happy About Integration Of Courses And Institutions In Line With National Education Policy:
Ram Nath Kovind**

JAMMU & KASHMIR BJP NATIONAL JAMMU

DAILY 24x7 NEWS By **Daily 24x7 News** Published on **Jun 9, 2022**

Jammu : President Ram Nath Kovind has said he is happy to know that IIM Jammu, IIT Jammu and AIIMS Jammu are integrating and offering courses in which students from one institute can get access to the other.

Addressing the fifth convocation of IIM Jammu on Thursday, Kovind congratulated the students, degree holders, their parents and teachers, saying that the students have worked hard for this day which is very important in their lives.

He added that the integration of courses and institutes is in line with the objectives of the National Education Policy, 2020. "I urge IIM Jammu and other institutes in your proximity to adopt towns and villages of the neighbourhood and channelise the potential of the people for bigger goals, be it in the field of entrepreneurship/research or skill development."

"I am happy to know about the steps taken to develop Srinagar off-campus of IIM Jammu, which will further increase higher education outreach in this part of the country." "I am glad to note that students from 25 states and Union Territories are receiving education from the faculty chosen from all over the country.

This makes IIM Jammu reflect a young mini-India. I am told that adjunct faculty from countries like the UK, France, Brazil and the US are associated with IIM Jammu," Kovind said. "I am happy to note that the institute has tied up with 15 prestigious institutions in the US, France, Australia, Korea and the UK for student and faculty exchange programmes," he added.

"I am told that the new campus of the institute is targeted to be fully functional by November this year. I extend my best wishes for the team here to achieve the target." President Kovind said that the UN has been publishing a World Happiness Report along with the ranking of countries on happiness-related parameters.

"In a world full of stress, happiness is as much about the spirit of the person as it is about external conditions. Therefore, the right training of the people in the art of happiness is as important as their training in skills and professions," he added.

He said that in this context, the initiative of setting up a centre for happiness, named 'Anandam', by IIM Jammu is a welcome step.
